The Shoppes' Personal Shopping Service offers you an efficient, yet highly customised shopping experience.

The Luxury of Time at The Shoppes at Marina Bay Sands

The thing about being the leader of the pack in your organisation or industry is how little time it leaves you to indulge in the pleasures of life... such as retail therapy.

But even if you forgo shopping for pleasure's sake, you would still want to dress to inspire confidence in your team. Juggling between donning the latest threads and finding time to actually put together a convincing ensemble need not be a tough act, however.

The Shoppes at Marina Bay Sands understands the time squeeze and offers a myriad of unique solutions. There is, for instance, its highly customised **Personal Shopping Service** that will streamline the process of putting together your ideal look. All you have to do is fill out an appointment form online, with details such as your personal style and the occasion for which a fresh wardrobe is required, and each recommended boutique will handpick outfits and accessories for you even before you step foot into the mall.

Swing by for your appointment and you will be chaperoned by a

member of The Shoppes' Retail Concierge team to each boutique to try on and select from a range of outfits and accessories laid out for you. You could even opt to be chauffeured between the boutiques in a buggy – transport fit for the VIP that you are.

But The Shoppes also recognises that some of us might prefer a more involved retail experience centred on the thrill of seeking out the perfect look. So for those of us who like to spend some time touching and feeling the goods before making them our own, The Shoppes allows you to do

just that, despite your unforgiving schedule, with its **Late-night Opening Hours**. With over 170 luxury and premium boutiques that stay open until 11.30pm on Friday and Saturday nights, and 11pm on other nights, you no longer have to relinquish the joy of luxury shopping just because of a meeting that overran.

And for those for whom every minute and second counts, enjoy the luxury and convenience of The Shoppes' round-the-clock **Valet Parking** service.

What's more, all members of The Shoppes' Sands Rewards LifeStyle loyalty programme enjoy the ease of instantly redeeming reward dollars while shopping at participating outlets without the hassle of needing to queue up at Customer Service counters or fiddle about with receipts.

Because The Shoppes lives and breathes luxury, it should come as no surprise that it too appreciates the luxury of time, and the importance of making everything as fuss-free as possible – and a joy – for the busy mover and shaker. After all, you probably have enough on your mind.

Exclusive Experiences for You

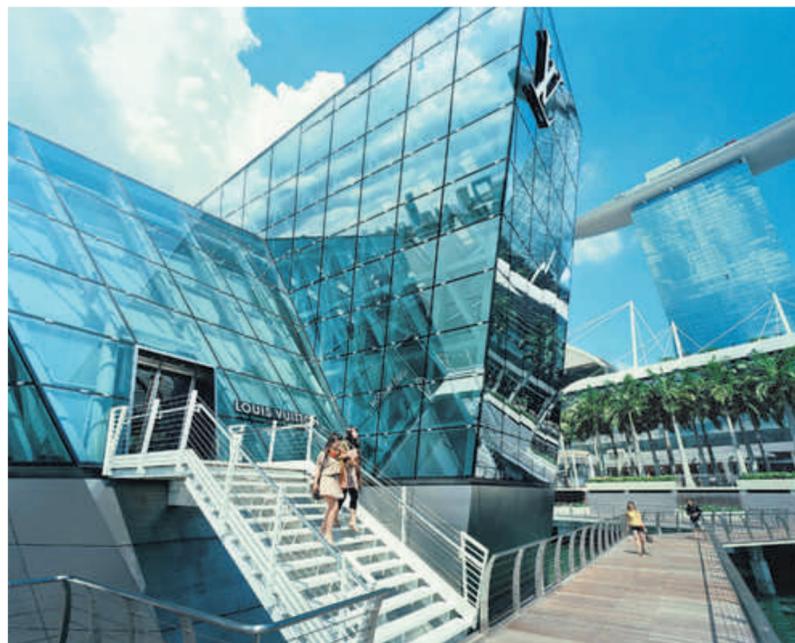

For the one who has it all, indulgence is no longer a code word for mere material possessions, but, rather, references exclusive experiences. And if exclusive experiences that are difficult to replicate are a luxury, luxury is what you will get at The Shoppes.

As the epicentre of luxury fashion, The Shoppes is dedicated to offering you a retail experience that is par excellence.

For one, there are the fashion houses whose only standalone stores in Singapore are found here, such as 3.1 Phillip Lim, CH Carolina Herrera, Tom Ford, Proenza Schouler, Repetto and Vera Wang Bride, and the soon-to-be opened Chloe, just to name a few.

And then there is Louis Vuitton, which takes things up a notch with its "Island Maison" in the Crystal Pavilion (North), the first and only one of its kind in the world. This expansive boutique also offers personalisation services via Mon Monogram, Mon Damier and Hotstamping, as well as the Louis Vuitton Haute Maroquinerie Made-to-Order service, which allows you to top off a signature look with a bespoke bag. Clearly, exclusivity at The Shoppes is all but guaranteed.

But there is still more. You will also find duplexes and triplexes here operated by fifteen luxury titans: Armani/Marina Bay, Bottega Veneta, Burberry, Bvlgari, Cartier, Chanel, Dior, Dolce&Gabbana, Gucci, Louis Vuitton, Miu Miu, Prada, Saint Laurent, Tiffany & Co. and Versace.

Exclusive experiences at The Shoppes include Louis Vuitton's "Island Maison", and duplex and triplex boutiques by the world's leading luxury brands.

And you know what that means: Double or triple the pleasure of engaging in retail therapy. It also means, of course, that these boutiques carry a wider range or the full collections, including exclusive products found only here.

You have worked so hard to get to where you are now, so reward yourself with luxury that comes in more ways than one. You know you deserve it.

Complimentary Parking

Need a quick pick-me-up in the middle of your work day? Skip that desk lunch and head to The Shoppes for a power shopping spree, which is likely as good as any other method to perk you up. Or, perhaps you want to discuss business over lunch with a work associate? Be spoiled for choice with over 80 dining options available, including new additions such as Black Knight Warrior, Canton Paradise and Ippudo. And because The Shoppes knows a thing or two about pampering its shoppers, it is offering Complimentary Parking from Mondays to Thursdays, 10am to 4pm, for those who spend \$100 or more with up to two combined same-day receipts.
